Honorable Kenneth B. Keating *Cur*
United States Senate
Washington 25, D.C.

Dear Senator Keating:

In view of your interest in Mr. [] we
are writing to advise you of the outcome of his application for
employment with us.

Mr. [] was informed on 8 July that he had been tenta-
tively selected for a position, and he was asked at that time to keep
us informed of any change in his present situation.

We have received a letter from him advising us of his plans
to marry a British subject. Since we do not consider for staff
employment an individual married to a foreign national, we have
found it necessary to cancel action on Mr. [] application at
the present time. However, at the time his wife becomes a citizen
of the United States, we will be glad to reconsider his case. Our
personnel office has informed Mr. [] of this matter and a copy
of their letter to him is enclosed for your information.

Your interest in Mr. [] application is very much
appreciated and should he re-apply at a later date, we shall be pleased
to give him every consideration.

Sincerely,

[]

STAT

We received your letter advising us of your marital plans and regret to report that we will be unable to give further consideration to your employment application at this time. It is against our policy to consider for staff employment an individual married to a foreign national. However, at such time as your wife becomes a citizen of the United States, we would be pleased to have you contact us again.

Thank you for advising us of your plans.

Sincerely,

Signed

E. D. Echols
